DETAILED ACTION

Allowable Subject Matter

Claims 1-16 are allowed over prior art.

The following is an examiner's statement of reasons for allowance:

None of the prior art teaches or suggests a gantry of an x-ray CT apparatus comprising a plurality of props extending obliquely between said main posts for reinforcing said main posts under the rotation ring; and

at least one electric member positioned in at least one of spaces surrounded by said base, main posts and props such that the at least one electric member is disposed in a lower half portion of a respective one of the spaces, said at least one electric member including at least one of a power source unit configured to generate driver power to rotate said rotation ring and tilt said ring frame, a scan control unit configured to control a rotating operation of said rotation ring and a detecting operation of said X-ray detector, and a transmission unit configured to externally output a signal detected by said X-ray detector as claimed in independent claims 1 and 16.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
